RE: In Kind Contributions

Thank you for your interest and support of the Kitsap County Veteran's Memorial.

As we begin Phase II of this project it is of the utmost importance that we finalize our budget so that we can plan for all costs associated with the project. The first step is to account for all in kind contributions.

For your tax records and so that we can recognize your generous gifts correctly, please indicate on the attached form exactly how you can contribute to this project. It is important to be specific regarding time and/or materials being donated and whom we should contact when it is time for us to call on you.

Thanks again for your support of the Kitsap County Veterans Memorial. We appreciate your commitment to your community and your country.

Best Regards,

John Armstrong, President, Homebuilders Association
